When ordering, ask for:

A black-and-white, single-sided 12 × 18-inch print on uncoated white paper.

Uncoated paper is best because children can easily use crayons, colored pencils, or washable markers.

No 12 × 18 Printing Available?

Ask the printer to produce it on **11 × 17-inch ledger paper**, scaled to fit. The activities will be slightly smaller but still usable.

How to Use It in a Lesson

1. Introduce Generosity

Ask: What does it mean to be generous?

Explain:

Generosity means willingly sharing what God has given us — including our belongings, time, kindness, encouragement, and love.

2. Connect Generosity to Christmas

Read or summarize the Christmas story.

Say:

At Christmas, we remember that God gave us the greatest gift of all — Jesus. Because God is generous with us, we can be generous with others.

Suggested Scripture:

“It is more blessed to give than to receive.” — Acts 20:35

3. Complete the Activity Mat

Invite children to:

- Color each scene
- Find Lumi throughout the mat
- Count the cookies
- Circle items that can be shared
- Write a kind Christmas message
- Draw a smile on the mug
- Color the church and manger
- Draw one way they can be generous

Children may complete the activities in any order.

4. Talk While They Work

Use questions such as:

- Who could you encourage this Christmas?
- What can you share besides money or presents?
- How can your family help someone feel remembered?
- Why is Jesus the greatest gift?
- What is one generous thing you can do this week?

5. Close in Prayer

Dear Jesus, thank You for being God's greatest gift. Help us notice people who need kindness, encouragement, and care. Show us how to generously share what You have given us. Amen.

Teacher Tip

Use the activity mat during Sunday School, children's church, Advent programs, Christmas events, family ministry nights, or as a quiet activity before or after worship. Children can take the finished mat home and share what they learned with their families.
