Grow in faith
together

Pray Together. Grow Together.

Prayer is one of the greatest gifts you can give your children.

It doesn't have to be long or perfect. Just real, simple, and from the heart.

This guide will help your family build a habit of talking with God together - celebrating His goodness, praying for others, and trusting Him in every season.

Why Pray Together?

It draws your family closer to God.

Prayer helps us love God more and trust Him with our lives.

It builds strong family connections.

Sharing joys, worries, and dreams helps your family support and encourage one another.

It teaches compassion for others.

Prayer opens our hearts to the needs of people around the world.

It helps kids grow in faith.

When children see their family pray, they learn how to talk with God too.

A Gentle Reminder

There's no right or wrong way to pray. God loves to hear from you and your family - just as you are.

Ways to Pray Together

Try these simple ideas to make prayer
a natural part of your family life.

Morning Thanks

Start the day by thanking God for a new day and asking for His help.

Bedtime Prayers

End the day by talking to God about what was good, what was hard,
and what you are thankful for.

Pray for Others

Lift up children, families, and communities around the world.

Listen and Share

Invite everyone to pray - kids, parents, and grandparents too. Every
voice matters to God.

Keep It Simple

A short prayer said with love is always powerful.

A Simple Prayer You Can Pray Together

*Dear God,
Thank You for our family
and for loving us so much.
Please help us to love You,
love one another,
and care for the people
around us.*

*In Jesus' name,
Amen.*

Pray for the World

Take time each week to pray for one country, community, or hospital where
partners serve. Ask God to strengthen local healthcare workers and help the
hope of Jesus to the people they serve.

Keep shining God's light - your family can make a difference through prayer!
