

Hi! I'm Benny!

BENEVOLENCE

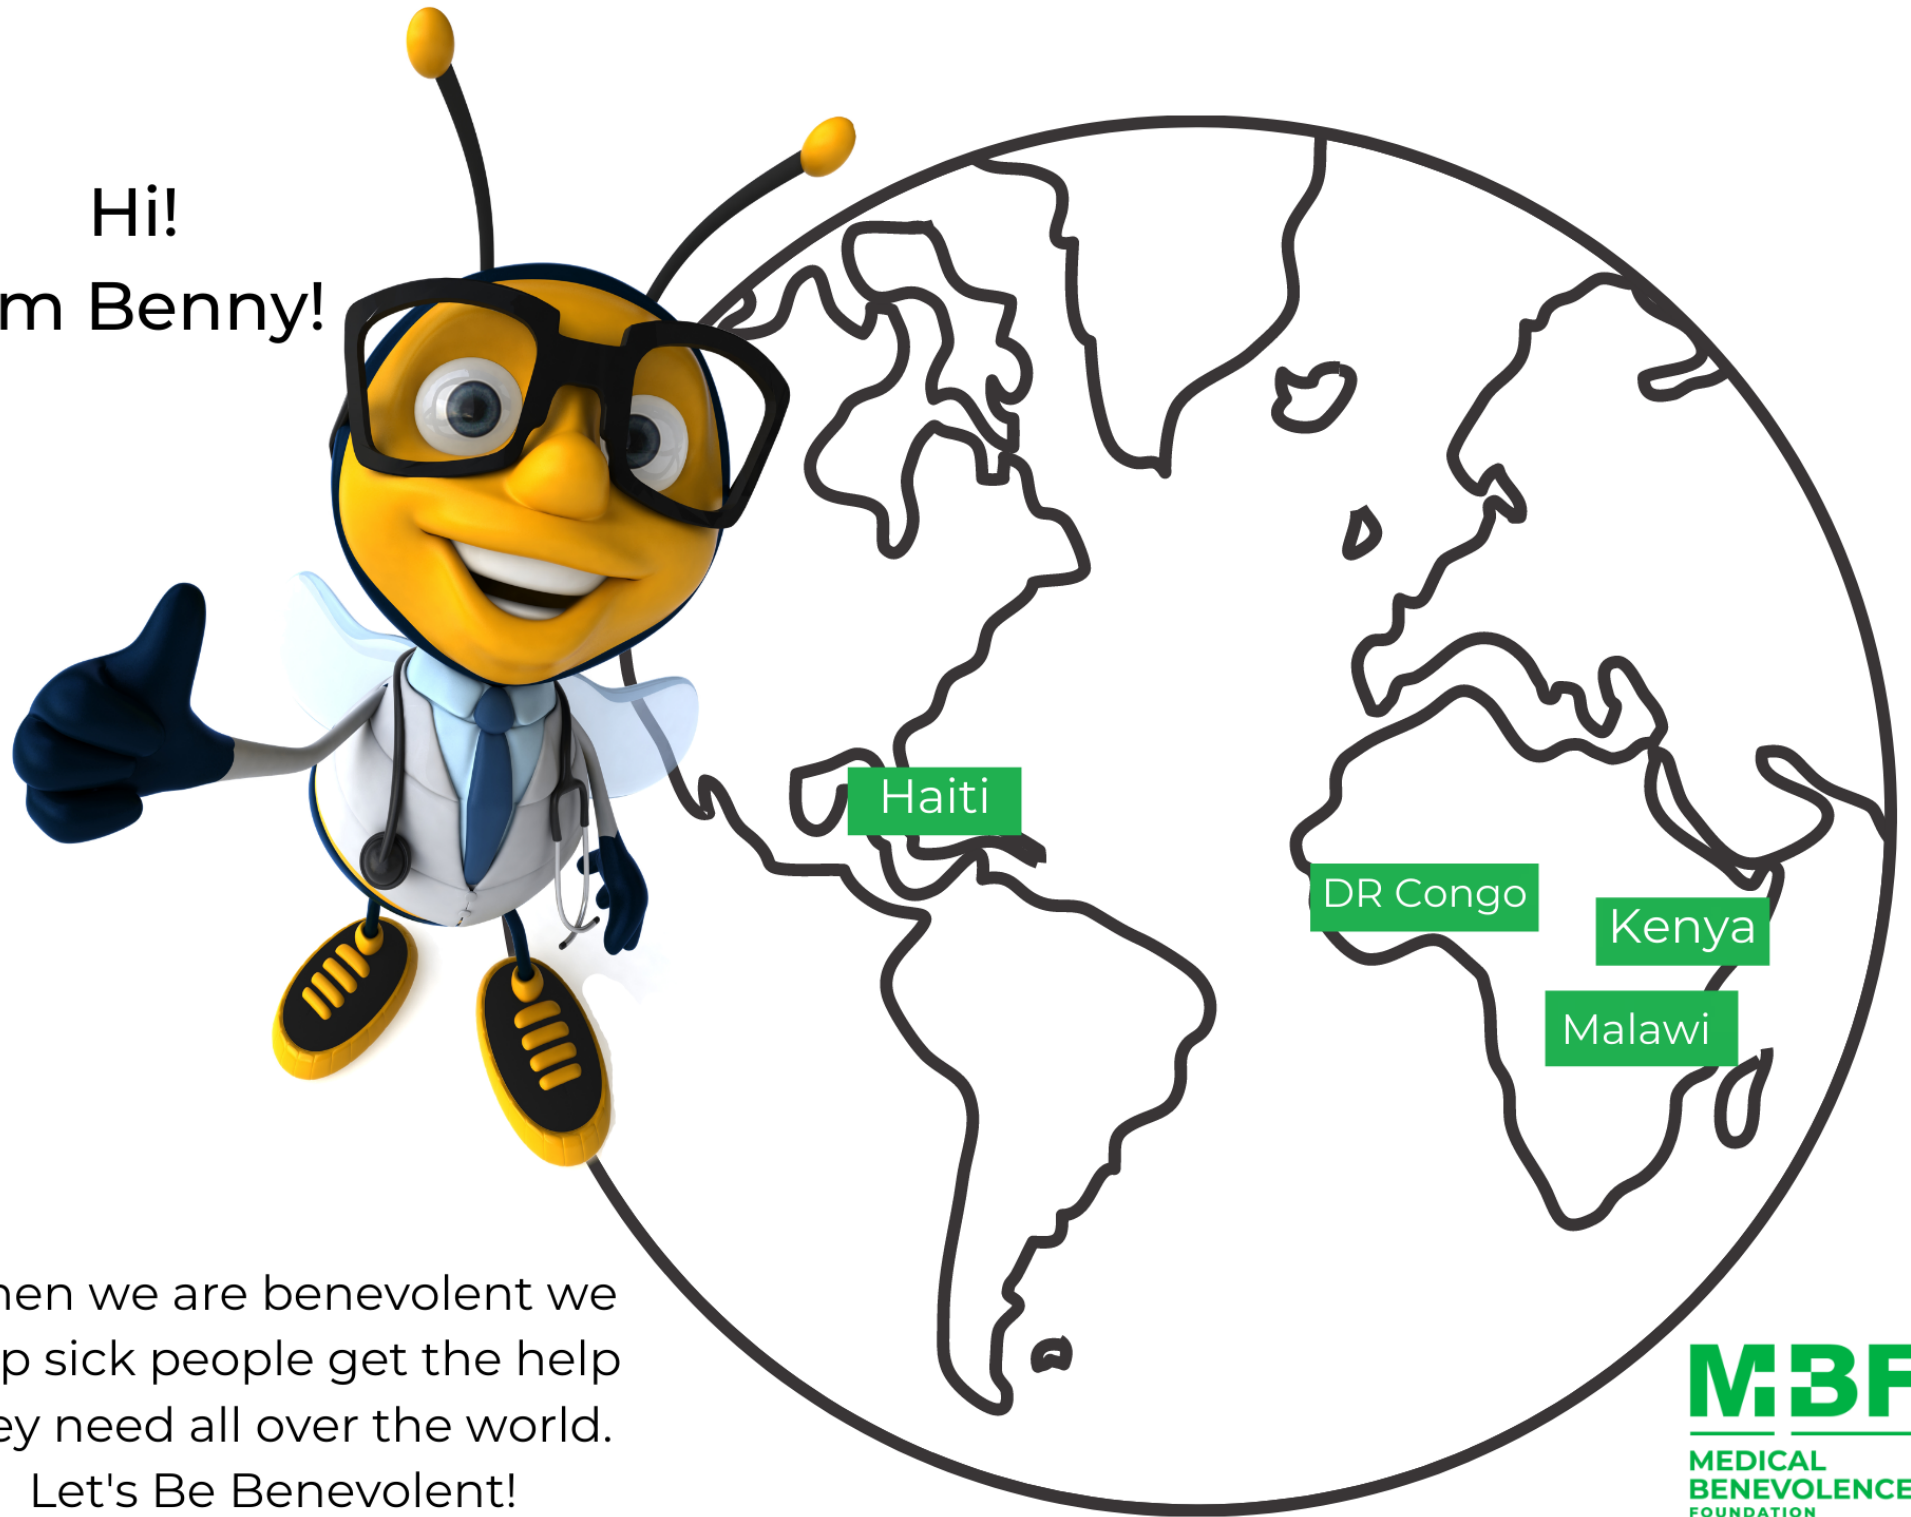

is a really big word for "acts of kindness."

When we are benevolent we show love to others like Jesus did.

Hi!
I'm Benny!

When we are benevolent we help sick people get the help they need all over the world.

Hi! I'm Benny!

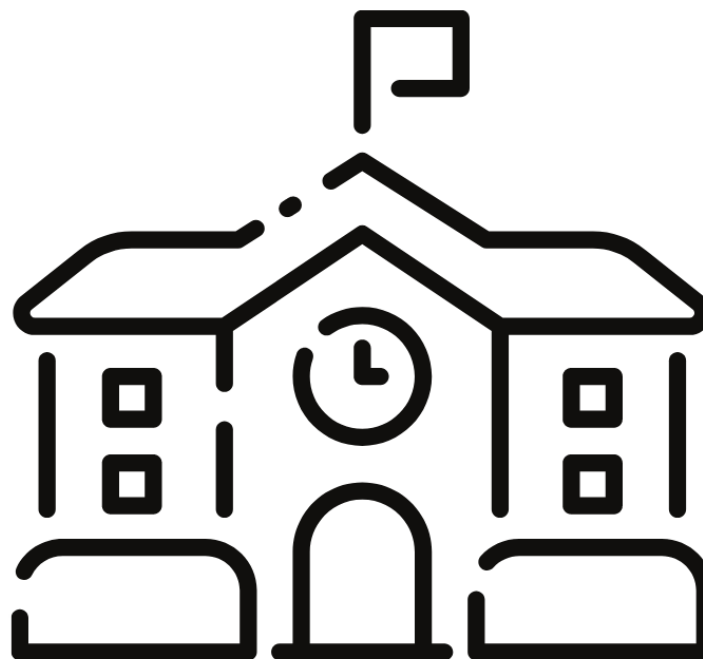

At MBF we work with churches that start hospitals and clinics to help people when they get sick!

We also work with nursing schools that give scholarships so people can learn to be doctors and nurses.

These are just a few ways we help people.
